

Northwick Park Hospital

European Paediatric Life Support Course Programme

Day 1:	
Time ⌚	Subject 📖
08:00 – 08:30	Registration (with refreshments)
08:30 – 08:45	Course Introduction
08:45 – 09:05	Demonstration: Recognition & Management of the Seriously Ill Child
09:10 – 09:40	Lecture: Recognition & Management of the Seriously Ill Child
09:40 – 10:10	Demonstration: BLS with bag –mask ventilation (15:2) and choking
10:10-10:40	Skill station: BLS (includes continuous assessment)
10:40-11:00	Refreshments
11:00-11:45	Skill station: Airway & Ventilation
12:45-12:30	Skill station: Vascular Access
12:30-13:30	Lunch
13:30-15:00	Teaching simulations: Respiratory failure A Respiratory failure B Circulatory failure
15:00-15:30	Lecture: Paediatric ALS algorithm
15:30-15:45	Refreshments
15:45-16:25	Demonstration: 1. Cardiorespiratory arrest, team approach 2. Safe defibrillation, team approach
16:30-17:10	Skill station: Safe defibrillation
17:15-17:55	Skill station: Cardiorespiratory arrest
17:55-18:00	Mentor/mentee meeting
18:00	End of day one

Please note, we do try to run on time but delays and slight alterations may occur during the day due to unforeseen circumstances, therefore, there may be a delay in finishing times.

Northwick Park Hospital

European Paediatric Life Support Course Programme

Day 2:	
Time ⌚	Subject 📖
08.00 – 08:30	Refreshments
08:30 – 09:10	Interactive Workshop: Post resuscitation care
09:10-09:50	Interactive Workshop: Cardiac Arrhythmia with Pulse
09:50-10:20	Teaching Simulation: Cardiac Arrhythmia with Pulse
10:20 – 10:35	Refreshments
10:35-11:35	Interactive Workshop: Trauma Management
11:35-12:20	Teaching Simulation: Trauma Management
12:20-13:00	Teaching Simulations: Special Circumstances
13:00-13:40	Lunch
13:40-15:00	Teaching Simulations: Special Circumstances contd.
15:00-15:30	Refreshments (Overview of testing stations)
15:30-16:15	MCQ
16:15-17:30	Simulation Assessments:
17:30-18:00	Course Results and round up

Please note, we do try to run on time but delays and slight alterations may occur during the day due to unforeseen circumstances, therefore, there may be a delay in finishing times.
